

REMARKS

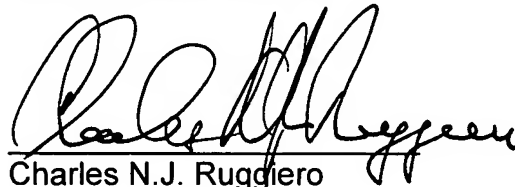

Claims 34, 37-44, and 57-64 are pending in the application and remain pending upon entry of the instant response. Claims 34 and 57 are independent.

Claims 34, 37-44, and 57-64 were rejected on the ground of under non-statutory obviousness-type double patenting over Applicant's own U.S. Patent No. 6,645,228 to Renz.

In accordance with the requirements of 37 C.F.R. §1.321(b), Applicant submits a terminal disclaimer and the fee set forth in 37 C.F.R. §1.20(d) to obviate this rejection. Accordingly, reconsideration and withdrawal of the rejection to claims 34, 37-44, and 57-64 are respectfully requested.

In view of the above, it is respectfully submitted that the present application is in condition for issuance. Such action is solicited. If for any reason the Examiner feels that consultation with Applicant's attorney would be helpful in the advancement of the prosecution, the Examiner is invited to call the telephone number below.

Respectfully submitted,

Charles N.J. Ruggiero
